The Hon. Nelson Román  
United States District Court  
Southern District of New York  
300 Quarropas Street  
White Plains, New York 10601**Re: *United States v. Victor Byrne*, 22 Cr. 444**

Dear Judge Román,

I am writing to request that Mr. Byrne's scheduled teleconference set for October 26, 2023 at 11:00 a.m. be continued until for approximately 30 days (until early December, if possible) so that the parties can continue working toward a pretrial resolution.

On Tuesday, October 17, the government provided me with an informal plea offer. I will review that offer with my client promptly and, if accepted, the government will draft a formal plea agreement to be entered before the Court.

If the Court grants the requested adjournment until early December, I have no objection to the exclusion of time through the date of the new status conference. I have discussed this adjournment request with AUSA Marcia Cohen. She has no objection.
